Nose: The light copper color this wine possesses is a direct result from the skin contact of the pinot noir and pinot gris. The wine's aromas are rich and complex - floral notes with strawberry and pomegranate followed by an essence of yeast and brioche.

Palate: Accompanying the natural fruit provided from the Pinot Noir, this rich well structured wine is saturated with delicious flavors of a french baquette with strawberry butter. A natural pairing with Sushi or oysters, Moonstruck also compliments a slew of rich chocolate desserts.
